

AGAVE TRACE

Agave Trace is Texas Homes newest community comprised of 46 homesites. This new development is scheduled to open in the Spring of 2020. Located conveniently on South Hausman Road near the intersection of Loop 1604 and Bandera Road, Agave Trace provides easy access to shopping, Medical Center, UTSA, USAA and other employment centers. This a rare opportunity to own a new home inside loop 1604.

Agave Trace will offer home plans for 1,663 square feet to 3,218 square feet. These award-winning home plans feature open interiors, high ceilings, outdoor living and many pre-drawn options to choose from. Texas Homes has an extensive plan development process to ensure that the home will work with the needs of the homeowner and their lifestyle. The Texas Homes Design Center and professional staff will help homeowners personalize their new home with thousands of selection choices.

Agave Trace is served by the Northside Independent School District.
